Bonding

The Board recognizes that prudent trusteeship of the resources of the district dictate that employees responsible for the safekeeping of district moneys and property be bonded.

The district shall be indemnified against loss of money and property by bonding of employees holding positions which have extensive access to property and money.

Such bonds shall be subsumed under a blanket bond. The Board shall bear the cost of bonding each employee required to be bonded by this policy. (Education Code 41021)
