John C. Fremont School
2022-2023 School Accountability Report Card
(Published During the 2023-2024 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview	By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC. - For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at https://www.cde.ca.gov/ta/ac/sa/. - For more information about the LCFF or the LCAP, see the CDE LCFF web page at https://www.cde.ca.gov/fg/aa/lc/. - For additional information about the school, parents/guardians and community members should contact the school principal or the district office.
DataQuest	DataQuest is an online data tool located on the CDE DataQuest web page at https://dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).
California School Dashboard	The California School Dashboard (Dashboard) https://www.caschooldashboard.org/ reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.
Internet Access	Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2023-24 School Description and Mission Statement

John C. Fremont School is located in Corcoran, California. Corcoran is a small agricultural area in the Central San Joaquin Valley. John C. Fremont is one of three elementary schools in Corcoran and serves students in grades two and three. The school provides for the educational needs of the second and third-grade students in the community, a Special Day Class for children with special needs for children in second through third grade. We also house a severely handicapped class for Kings County on campus. John C. Fremont is a Title I school with a student enrollment of approximately 475 students.

John C. Fremont Elementary is a place where all students are encouraged to strive for excellence academically, socially, and emotionally in a safe and supportive atmosphere. We set high expectations for our students because our entire school community shares the belief that all children can and will learn.

We are committed to the following goals: Students will learn to read at grade level or above while developing a love for reading, and write fluently for a variety of purposes. Students will gain an understanding of mathematical concepts and the role that math plays in all areas of life.Technology will be used as a tool to enhance all areas of the curriculum. Staff will provide instruction and support to meet the needs of diverse learners in our school community. John C Fremont School will create an environment that is orderly, safe, physically and emotionally supportive, inviting and stimulating.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

The CDE published the first year of available teacher data for the 2020-21 SARC in June 2022, and the CDE published the second year of data for the 2021-22 SARC in June 2023. The EC Section 33126(b)(5) requires the most recent three years of teacher data to be requested in the SARC, as data is available. The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: The data in this table is based on Full-Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

2023-24 Quality, Currency, Availability of Textbooks and Other Instructional Materials

These are the latest textbook adoptions that follow the Common Core State Standards (CCSS). As the state frameworks change and the state approves new curriculum, the District will evaluate new instructional materials in order to follow the process of adopting new curriculum. This will include the adoption of digital curriculum.

School Facility Conditions and Planned Improvements

Corcoran Unified School District receives funds from the Williams Settlement, therefore, district personnel are required to conduct an extensive facilities inspection. The condition of the facilities and grounds are important. In preparation for this report, the Director of Maintenance, Operations and Transportation and the Chief Business Officer provided the necessary information. The chart below shows the general condition of the site. Good repair is defined as maintaining schools that are clean, safe and functional.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments
(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready
The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2021-22	School 2022-23	District 2021-22	District 2022-23	State 2021-22	State 2022-23

Mathematics (grades 3-8 and 11)	16	20	14	17	33	34

2022-23 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

2022-23 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.

Science test results include the CAST and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

C. Engagement	State Priority: Parental Involvement
	The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2023-24 Opportunities for Parental Involvement

General parental support and community support are critical factors that influence the success of any school. We are proud of the partnership we have formed with our parents and will continue to serve the needs of our community by providing every child with a comprehensive and challenging educational program. The School Site Council (SSC) meets the second Thursday of the month at 3:30 pm at least 5 times per year. The English Language Advisory Committee (ELAC) meets the second Thursday of the month at 6:00 pm at least 5 times per year. Both parent committees welcome all parents. These meetings cover a variety of topics including instructional goals, instructional materials, Common Core State Standards (CCSS), educational technology, and the planning, implementation, and evaluation of federal programs including Title I and Title III. The District holds a monthly District English Learner Advisory Committee (DELAC) meeting; each school site has one representative on the committee to be a liaison between the school site and the district and to advise the district on issues related to English Learners.

At the beginning of each school year, the school hosts a Back-to-School night. Parent conferences are held at the end of the first and second trimesters to discuss their student's academic progress. The School also holds various events including Open House, Literacy Night, Math Night and other school-wide events such as a winter performance that parents are encouraged to attend. The school encourages all parents to become involved and attend all parent meetings and school events.

Volunteers have been welcomed on campus! Parents are invited to participate in field trips, volunteer in the classroom, and assist with events on campus like student store, Library, and monthly reward lunches for "Student of the Month" and "Terrific Kids". Parents are voted members of School Site council and ELAC committees. Parents that are not voting members are always invited to attend.

Parental input is important to the continued success of John C. Fremont Elementary. For information on parent involvement opportunities, please contact Pearl Prins the school Principal at 559-992-8883 ex 3221.

2023-24 School Safety Plan

Fremont Elementary has a School Safety Plan, which includes a School Crisis Intervention Plan. Both plans are reviewed and updated annually by staff and parents. The School Safety Plan is available for parent review in the school office. Local law enforcement agencies have worked closely with school and District personnel to develop effective responses in the event of emergencies. Fire, earthquake, lockdown and bus evacuation drills are held periodically to provide practice for students and staff. A Campus Safety liaison is involved in all safety drills and assists the site when needed. Additionally, campus safety is promoted by the use of campus supervisors, before school, after school and during the lunch periods. In compliance with CJUSD policy, all campus visitors are required to check in at the office and obtain a visitor's badge, which must be worn at all times. All volunteers must complete a district application and receive the appropriate clearances before they can volunteer or chaperone at a school site or during a school trip.

A copy of the Comprehensive School Safety Plan is available in the school office for parent review with the site administrator upon request.

The School Safety Plan was last reviewed, updated, and discussed with the school faculty: 8/10/2023 and 12/14/2023

Professional Development

Professional development is offered to ensure that Fremont staff keeps informed of new learning strategies, innovative teaching techniques, and the newest technology in the field of education. Weekly staff development is provided for teachers on Wednesdays throughout the school year. Students are released early so classroom teachers, special education teachers, our reading intervention teacher and resource teacher, and academic coaches, have time to collaborate, coordinate, and work together or in grade level teams on aligning curriculum to instruction, analyzing data from assessments, integrating student use of technology into instruction, and mapping out curriculum to be taught. Data is used to inform Professional Development

Professional Development

Opportunities.

New teachers received two days of professional development from the District Office and one day at the site that covered lesson plans, technology integration, district login information and email access, student engagement strategies, and other onboarding information. All teachers were provided the opportunity to attend two days of training that included Explicit Direct Instruction (EDI), Data Wise (The process of analyzing data), Capturing Kids hearts refresher, and Behavior Solutions(PBIS). This has been followed up with multiple days of onsite coaching for Academic and Technology Coaches to support EDI in the classrooms with teachers.

Each Wednesday is scheduled as an early release for students so classroom teachers, academic coaches, and administrators have time for the following Professional Development opportunities:
- Each month our District ELL Coach provides training on topics related to English Learner Students including; Integrated and Designated ELD
- Data analysis is scheduled after each assessment to determine standards to reteach and retest

Each Month there is a PBIS Meeting. They review data and share that data
 Data is shared with teachers during Wednesday meeting
