

**School Directory**

The directory or other listing of personnel shall not be given out to anyone other than employees, organizations having a direct and immediate relationship to the School District, or other organizations at the discretion of the administration.

Under no circumstances will it be distributed for political or commercial use.

A copy of the directory will always be available in the superintendent's office for review by interested persons.

No directory information shall be released regarding any pupil when a parent has notified the school district that such information shall not be released.

*(cf. 5125.1 - Confidentiality of Student Records)*

*(cf. 9330 - Access to Board/School District Records)*
