

Transportation: Emergency and Safety Procedures

The principal and appropriate transportation personnel shall implement a bus evacuation training program.

At least one bus evacuation drill shall be conducted each school year at each school site. All students shall either participate directly or shall observe and evacuation demonstration by other students.

Classroom teachers representing the grade levels involved in the drill shall provide student supervision.

Following each evacuation drill, instruction in safe riding practices shall be given and shall include a review of Governing Board policy and regulations governing bus conduct.
