

Industrial Accident/Illness

After School Activities

In conformance with Worker's Compensation laws of the State of California, benefits are provided for injuries and illnesses arising out of the employment, or during the course of employment, of all District employees.

1. All staff sporting events conducted after normal school hours will not be included in the district's Workers' Compensation coverage.
2. Excluded activities include, but are not limited to:
 - a. Bowling teams
 - b. Softball/baseball
 - c. Football
 - d. Racquetball, handball, tennis
 - e. Basketball
3. After-school staff sports activities will not be authorized by the District administration as "school related" except under specific circumstances and approved individually in advance by the Board of Trustees.
