

Codes of Ethics

The Governing Board expects district employees to maintain the highest ethical standards, to follow district policies and regulations, and to abide by state and national laws. Employee conduct should enhance the integrity of the district and the goals of the educational program.

The Board expects all Certificated Personnel to abide by the Rules of Conduct for Professional Educators, as expressed in Title 5, Article 3.

The Board further encourages district employees to accept as guiding principles the codes of ethics published by professional associations to which they may belong.
