

## CUSD Instructional Action Plan

- **Goal Number 1: Develop effective Professional Learning Communities at each school site utilizing the Cycle of Inquiry process.**
- **Goal Number 2: Provide effective interventions for struggling students in Language Arts & Math with emphasis on English Learners.**

## CUSD Instructional Action Plan

- **Goal Number 3: Create and effectively implement a comprehensive program for English Language Development to ensure each child achieves one year growth on CELDT.**
- **Goal Number 4: Continue to develop effective monitoring system for gathering and using formative and summative data to guide instruction**
