

**Employee Security**

The Governing Board desires to provide a safe, orderly working environment for all employees. As part of the district's comprehensive school safety plan, the Superintendent or designee shall develop strategies for protecting employees from potentially dangerous persons and situations and for assisting them in the event of an emergency situation.

*(cf. 0450 - Comprehensive Safety Plan)*

*(cf. 3515 - Campus Security)*

The Superintendent or designee shall ensure that employees are informed, in accordance with law, regarding crimes and offenses by students who may pose a danger in the classroom.

When violence is directed against an employee by any individual and the employee so notifies the Superintendent or designee, the Superintendent or designee shall take steps to ensure that appropriate legal measures are instituted. When the employee notifies the Superintendent or designee of a threat of bodily harm, the district shall take appropriate measures to enable the employee to request assistance if a threat occurs on school grounds.

The Superintendent or designee shall ensure that employees are trained in crisis prevention and intervention techniques in order to protect themselves and students. Staff development may include training in classroom management, effective communication techniques and crisis resolution.

The district shall provide such communications devices in classrooms to the extent possible.

*(cf. 5141 - Health Care and Emergencies)*

Employees may possess a pepper spray weapon that meets the requirements of Penal Code 12403.7 on school property when students are not present. On a case-by-case basis, the Superintendent or designee may allow such possession when students are present if justified by unusual dangerous circumstances. Any employee who is negligent or careless in the possession or handling of pepper spray shall be subject to appropriate disciplinary measures.
