

Costs

There is a Lease Fee of \$25 for each device, which is used for maintenance of the device and school network. This lease fee will need to be paid each year before the device goes home with the student.

- The Lease fee for an iPad/MacAir is \$25 (**non-refundable**) for the school year. It is used for maintenance of the device and network.
- Parents may request a waiver by going to the district office and filling out an application.

Insurance Option

Parents may purchase a **non-refundable** \$25 damage insurance for the school year. This gives you half off whatever the cost may be.
