

CJUSD In-Person Safety Plan

We meet State and County Guidelines

CJUSD Schools will continue full in-person instruction on August 10, 2022

Our plan to ensure a safe environment meets recommended safety measures to help slow and reduce the spread of COVID-19. We are confident this plan provides a safe environment for our students without limiting the quality education they deserve.

Students and Staff

Wash Your Hands Often

- With soap and water for at least 20 seconds especially after you have been used the restroom, or after blowing your nose, coughing or sneezing.
- If you are in a private setting and do not have on your cloth face covering, always remember to cover your mouth and nose with a tissue when you cough or sneeze or use the inside of your elbow.
- Throw used tissues in the trash.
- If soap and water are not readily available, use a hand sanitizer that contains at least 60% alcohol.
- Cover all surface of your hands and rub them together until they feel dry.
- Avoid touching your eyes, nose and mouth with unwashed hands. You could spread COVID-19 to others even if you do not feel very sick.

STUDENTS AND STAFF ARE STRONGLY RECOMMENDED TO WEAR FACE COVERINGS WHEN INDOORS WHILE SCHOOL IS IN SESSION.

- The face cover is meant to protect other people if you are infected.
- Face coverings should not be placed on anyone who has trouble breathing or is unconscious, incapacitated, or otherwise unable to remove the mask without assistance.
- Students, staff, and visitors should not wear face coverings during strenuous exercises or PE or athletic practices.
