2021 School Accountability Report Card

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at www.cde.ca.gov/ta/ac/sa/

For more information about the LCFF or the LCAP, see the CDE LCFF web page at www.cde.ca.gov/fg/aa/lc/

For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) www.caschooldashboard.org/ reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2021-22 School Overview

Mark Twain School is located in the rural city of Corcoran. Corcoran is a small, agricultural area in the central San Joaquin Valley. The population of Corcoran is estimated to be approximately 20,000, of which over 13,000 are California State Prison and California Substance Abuse Treatment Facility inmates. The local economy is supported mainly by farming and state prisons. Mark Twain, which is one of three elementary schools in the Corcoran Unified School District, is unique in that it provides for the educational needs of all fourth- and fifth-grade students in the district. There are eleven fourth-grade and ten fifth-grade regular education classes and one fourth-and-fifth-grade special day class. One Resource Specialist provides services to all RSP students. Support staff members include one principal, two academic coaches, one technology coach, one resource teacher, one reading intervention teacher, and four paraprofessionals. The office/clerical staff includes one school secretary, one community contact, and one library clerk. There are also two custodians, four cafeteria staff, and three split-shift yard supervisors. Speech services are provided by a county speech therapist.

Enrollment for the 2021-2022 school year is 512 students (250 fourth-graders, 262 fifth-graders). Of those, 93.3% are Hispanic/Latino. Approximately 17.5% of the school population is considered limited in English proficiency, and 21.2% are reclassified as fluent in English. Spanish is the predominant language among English learners. Each grade level has a block of instruction time for core English-language arts and Math instruction. An additional 30 minutes of time is allotted for Math Intervention. Guided Reading and Science are taught for 30-minutes 5 days a week. P.E. is administered 30 minutes four days per week. English language development (ELD) instruction is offered every day for 30 minutes. Each English learner receives language instruction based on his/her English Language Proficiency Assessment for California (ELPAC) level. Reclassified, English-only and initially fluent students use ELD time for additional reading instruction (enrichment or intervention) with a computer-adaptive program on their iPads (Imagine Learning). Resource Specialist Program (RSP) students have support throughout the school day. Some students receive further intervention in reading from the reading intervention teacher and two

paraprofessionals. The math intervention teacher provides math intervention for selected students throughout the day.

The mission statement for Mark Twain School is: "To establish a positive learning environment where students are accepted, appreciated, nurtured, and challenged according to their individual needs." In addition to the regular fourth and fifth-grade curriculum, intervention is a key component to Mark Twain's entire program.

Our school offers intervention programs in reading and math. Reading intervention consists of instruction in fluency and comprehension at the current reading level of each student. It is designed to move each student closer to grade-level reading. Teachers and paraprofessionals collaborate on data-driven instruction to meet the unique needs of each student. Both the reading and math intervention teachers work with the classroom teachers to create a schedule and program that will best fit the needs of our students. The Resource Teacher provides support to all staff to ensure the programs are meeting the needs of our stakeholders and running in the most effective manner.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Note: For more information refer to the Updated Teacher Equity Definitions web page at <https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp>

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned to based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

School Facility Conditions and Planned Improvements

Corcoran Unified School District receives funds from the Williams Settlement, therefore district personnel are required to conduct an extensive facilities inspection. The condition of the facilities and grounds are important. In preparation for this report, the Director of Maintenance, Operations, and Transportation and the Chief Business Official provided the necessary information. The chart below shows the general condition of the site. Good repair is defined as maintaining schools that are clean, safe, and functional.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

SARC Reporting in the 2020-2021 School Year Only

Where the most viable option, LEAs were required to administer the statewide summative assessment in ELA and mathematics. Where a statewide summative assessment was not the most viable option for the LEA (or for one or more grade-level[s] within the LEA) due to the pandemic, LEAs were allowed to report results from a different assessment that met the criteria established by the State Board of Education (SBE) on March 16, 2021. The assessments were required to be:

- Aligned with CA CCSS for ELA and mathematics;
- Available to students in grades 3 through 8, and grade 11; and
- Uniformly administered across a grade, grade span, school, or district to all eligible students.

Options

Note that the CAAs could only be administered in-person following health and safety requirements. If it was not viable for the LEA to administer the CAAs in person with health and safety guidelines in place, the LEA was directed to not administer the tests. There were no other assessment options available for the CAAs. Schools administered the Smarter Balanced Summative Assessments for ELA and mathematics, other assessments that meet the SBE criteria, or a combination of both, and they could only choose one of the following:

- Smarter Balanced ELA and mathematics summative assessments;
- Other assessments meeting the SBE criteria; or
- Combination of Smarter Balanced ELA and mathematics summative assessments and other assessments.

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

The 2019-2020 data cells with N/A values indicate that the 2019-2020 data are not available due to the COVID-19 pandemic and resulting summative test suspension. The Executive Order N-30-20 was issued which waived the assessment, accountability, and reporting requirements for the 2019-2020 school year.

The 2020-2021 data cells have N/A values because these data are not comparable to other year data due to the COVID-19 pandemic during the 2020-2021 school year. Where the CAASPP assessments in ELA and/or mathematics is not the most viable option, the LEAs were allowed to administer local assessments. Therefore, the 2020-2021 data between school years for the school, district, state are not an accurate comparison. As such, it is inappropriate to compare results of the 2020-2021 school year to other school years.

Subject	School 2019-20	School 2020-21	District 2019-20	District 2020-21	State 2019-20	State 2020-21

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2021-22 Opportunities for Parental Involvement

Mark Twain offers parents a variety of ways to get involved in their child's education. Contact information for any of the following volunteer opportunities is Silvia Gonzalez or Tammie Hutton at (559) 992-8882.

- Attending Back to School Night to meet with the child's teacher
- Participation in School Site Council (SSC) and English Learner Advisory Committee (ELAC)
- Attending Parent-Teacher conferences
- Attending SST/IEP/504 Meetings
- Attending Open House

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

Suspensions and Expulsions

This table displays suspensions and expulsions data collected between July through June, each full school year respectively. Data collected during the 2020-21 school year may not be comparable to earlier years of this collection due to differences in learning mode instruction in response to the COVID-19 pandemic.

This table displays suspensions and expulsions data collected between July through February, partial school year due to the COVID-19 pandemic. The 2019-2020 suspensions and expulsions rate data are not comparable to other year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to other school years.

2021-22 School Safety Plan

Maintaining a safe and secure learning environment is a top priority for Mark Twain Elementary School. The Comprehensive School Site Safety Plan was developed for Mark Twain Elementary School in collaboration with local agencies and the district office to fulfill Senate Bill 187 requirements.

Our plan is updated annually and includes procedures for emergencies, exit routes, and inventories of emergency supplies. Local law enforcement has a copy of our School Safety Plan as well as a school map. In conjunction with local law enforcement, fire department, and city officials, safe school routes have been determined and included in the Comprehensive Schools Safety Plan. All staff members review the School Safety Plan at the beginning of the school year during back to school staff development days.

Students and staff participate in (monthly) drills and the staff is debriefed following the drill with the intent of improving upon our safety procedures. Students at Mark Twain Elementary School participate annually in Digital Citizenship Safety Training. Our school is surrounded by a perimeter fence and all visitors must check into the office upon arrival. All volunteers must complete a district application and receive the appropriate clearances before they can volunteer or chaperone at a school site or during a school trip.

A copy of the Comprehensive School Safety Plan is available in the school office for parent review with the site administrator upon request.

The Comprehensive School Safety Plan was last reviewed, updated, and discussed with the school faculty: January 12, 2022.

2020-21 Types of Services Funded

Title I, Part A: Title I, Part A is a federal categorical program contained in the consolidated application. Its purpose is to ensure that all children have a fair, equal, and significant opportunity to obtain a high-quality education, and reach proficiency on the State Content Standards and Assessments. The intent of the funding is to meet the educational needs of the low-achieving students enrolled in the highest poverty schools.

Title II, Part A, Supporting Student Instruction through new teacher orientation, monthly meetings for new teachers, teacher support and evaluation, PLCs, academic coaching (site or county-based services), and advancement opportunities.

Title III, Limited English Proficient (LEP): The purpose of Title III, LEP, is to ensure that all LEP students, referred to as English learners in California, attain English proficiency, develop high levels of academic attainment in English, and meet the same challenging State academic standards as all other students.
State Programs

Lottery: Instructional Materials: This funding source allows for the purchase of instructional materials. "Instructional materials" is defined in Education Code (EC) Section 60010 (h) as "all materials that are designed for use by pupils and their teachers as a learning resource and help pupils to acquire facts, skills, or opinions or to develop cognitive processes. Instructional materials may be printed or non-printed, and may include textbooks, technology-based materials, other educational materials, and tests." EC Section 60010(m) further defines "technology-based materials" as "those basic or supplemental instructional materials that are designed for use by pupils and teachers as learning resources and that require the availability of electronic equipment in order to be used as a learning resource. Technology-based materials include, but are not limited to, software programs, video disks, compact disks, optical disks, video and audiotapes, lesson plans, and databases. Technology-based materials do not include the equipment required to make use of those materials."

Professional Development

New Teachers received:

- 2 days of Kagan Cooperative Learning Training
- 3 days of New Teacher Training and Orientation

During four days at the beginning of the 2021-2022 school year, our staff (including classified and certificated) received

- SEL Training with Capturing Kids Hearts for 2 days

Each Wednesday is scheduled as an early release (1:30) for our students so we can have Professional Development Opportunities

- once each month we have our District ELD Coach provide training on topics that are related to our EL students (Designated/Integrated ELD)
- once each month our site technology coach provides training on topics related to the use and implementation of technology within the classroom (new apps, how-to workshops, coaching, SAMR, DOK)
- once each month our site technology coach provides training on STEAM/STEM activities

Our Special Education teachers receive additional training on topics related to their specialized credentials. These meetings are held at various times throughout the year.

Our site Resource Teacher receives additional EL professional development through attending conferences such as Best Results for English Learners, ELlevation webinars, District EL Network, and the EL Master Plan Committee meetings. Each of these professional development opportunities focuses on the needs of our EL students, how to help with EL achievement, the redesignation process, and our LTEL students.

Our secretary has monthly meetings that include but are not limited to:

- Aeries updates
- CALPADS training
- Attendance information
- Student confidentiality

Our Community Contact works with our Security Coordinator on issues such as:

- Student wellness
- Attendance
- Home visits

Following unit and district benchmark testing we have the cycle of inquiries scheduled for data analysis and monitoring progress.

2020-21 Local Accountability Report Card (LARC) Addendum

Local Accountability Report Card (LARC) Addendum

2020-21 Local Accountability Report Card (LARC) Addendum Overview

On July 14, 2021, the California State Board of Education (SBE) determined that the California Department of Education (CDE) will use the SARC as the mechanism to conduct a one-time data collection of the LEA-level aggregate test results of all school's local assessments administered during the 2020–2021 school year in order to meet the federal Every Students Succeeds Act (ESSA) reporting requirement for the Local Educational Agency Accountability Report Cards (LARCs).

Each local educational agency (LEA) is responsible for preparing and posting their annual LARC in accordance with the federal ESSA. As a courtesy, the CDE prepares and posts the LARCs on behalf of all LEAs.

Only for the 2020–2021 school year and the 2020–2021 LARCs, LEAs are required to report their aggregate local assessments test results at the LEA-level to the CDE by populating the tables below via the SARC. These data will be used to meet the LEAs' federal requirement for their LARCs. Note that it is the responsibility of the school and LEA to ensure that all student privacy and suppression rules are in place when reporting data in Tables 3 and 4 in the Addendum, as applicable.

The tables below are not part of the SBE approved 2020–2021 SARC template but rather are the mechanism by which these required data will be collected from LEAs.

For purposes of the LARC and the following tables, an LEA is defined as a school district, a county office of education, or a direct funded charter school.
