Parental Notification Letter Regarding Alternative Supports and Public School Choice for the 2016–17 School Year

June 21, 2016

Dear Parents/Guardians of Students in Corcoran Unified School District

This letter is to inform you that your child may be eligible to receive alternative supports and/or Public School Choice (Choice) during the 2016–2017 school year.

Background

President Barack Obama signed into law the Every Student Succeeds Act (ESSA) on December 10, 2015. ESSA replaces the previous Elementary and Secondary Education Act (ESEA), also known as the No Child Left Behind (NCLB) Act of 2001.

Under the ESSA, California is required to implement the same interventions in the 2016–2017 school year for schools that were previously identified for program improvement (PI) in the 2015–16 school year; with the exception of the provision of Supplemental Educational Services (SES) and Choice.

Transition Plan for the 2016–2017 School Year

As allowed by the ESSA, California is developing a new accountability system for the 2017–2018 school year. The 2016–2017 school year is considered a “transition” year, designed to effect an orderly transition to the new law and accountability system. California has developed a transition plan that describes various alternative supports and services that are to be provided to eligible students.

Alternative Supports

During the 2016–2017 school year, under the ESSA, California has elected to eliminate the requirement for LEAs to provide SES. Instead, LEAs with schools identified for PI Year 2 and beyond will be required to provide eligible students with alternative supports. Alternative supports are supplemental activities designed to increase the academic achievement of students.

Socioeconomically disadvantaged students attending a Title I school that is in PI Year 2 and beyond are eligible to receive alternative supports for the 2016–2017 school year.

Corcoran Unified School District will offer the following alternative supports and services in 2016–2017:

Each school will provide interventions, strategies and activities that are alternative supports for your child’s academic educational program.

Please note that if there are insufficient funds to serve all eligible students, priority will be given to the lowest-achieving, previously identified PI school(s) or the lowest-achieving student(s) attending a previously-identified PI school.

ADMINISTRATION

Rich Merlo
Superintendent

Lora Cartwright
Director of Educational Services

Mary Taylor
Director of Categorical Programs

Steve Berry
Director of Technology

Pamela Dihel
Chief Business Officer

BOARD OF TRUSTEES

Karen Frey Robert Alcorn Mary Wadsworth Bobby Toney Patty Robertson

Choice

Under the new law, California has also elected to allow LEAs to determine whether or not to offer Choice to new students. Choice allows students attending a PI school the option to transfer to another public school, including a public charter school, that is within the LEA and that was not identified for PI.

Under the ESSA, Corcoran Unified School District has elected **not to** provide Choice to new students for the 2016–2017 school year.

(Please Note: If your child participated in Choice during the 2015–16 school year; he/she is permitted to remain in that school until they complete the highest grade in that school.)

Contact Information

If you are interested in learning more about the alternative supports and/or Choice options offered for your child, please contact your child's Principal at their school for additional information or Mary Taylor, Director of Special Projects.

Sincerely,

Rich Merlo

Rich Merlo, Superintendent
